School request for money

Each class is going to adopt an animal

Mrs Howe has not bought gardening tools as yet as not a good price currently. She will do in the future

New requests were for Robin Wood coach approx £250. Letters have already gone out for Robin Wood with a price. We had a long discussion around whether we would pay for coaches in general. It was put to a vote which was agreed with a vote of 6 to yes. In the future we have asked school to ask first even if historically we have paid for it

School have requested for a cooker as there is space in the staff room. This gives opportunity for more cooking in school and after school clubs. We all agreed to this.

Cake Sale raised £178.10 with lots of donations of cakes.
