

Please ensure all clothing is clearly labelled with your child's name.

If you have any concerns or worries please speak to Mrs Scattergood, Mrs Bailey or Mrs Chalmers.

Reception Autumn 1

This half term we will be about Nursery Rhymes

Our topic this half term is 'Nursery Rhymes'.

We will be learning lots of different nursery rhymes to help with communication and language and to help us bond and work together as a class.

Prime Areas -

Personal, Social and Emotional Development

Children will be encouraged to play in a group, extending and elaborating play ideas.

Communication and Language

The children will begin to join in with repeated refrains and anticipate key events and phrases in rhymes and stories. They will also begin to join in with the focussed nursery rhyme.

Physical Development

Uses one-handed tools and equipment and develop gross motor skills.

Specific Areas

Literacy

Children will be enjoying rhyming and rhythmic activities. They will be encouraged to write their name.

Maths

The children will be encouraged to count and recognize numbers to 5 and beyond.

Understanding the World

How can we protect Humpty from cracking when he falls off the wall?

Expressive Arts and Design

The children will sing songs and nursery rhymes.
