LETTING POLICY

Governors are happy for the school to be let out to the School Association, Governors, Sunday school and Church. Where this incurs caretaking and utility costs a charge will be applied.

Any other requests from other bodies / individuals would be considered by the governing body on a case by case basis.

Applications for the use of the grounds only will be considered individually.

All users of the building or grounds must have their own insurance to cover the hiring of the building and/or grounds, plus public and employee liability.
