Sport Relief

We raised £110!
Thank you for your kind donations.

City in the Community

City in the Community came into school to work for a few weeks with Year 5. This was literacy based around sports. The children made their own stories with the emphasis on sports and sports characters.

They also did role play and commentating. They enjoyed this very much especially performing to their class audience.

The School Council and Mrs Chalmers would like to thank everyone for their donations for Spotlight.

Little Bikers

Red Class have had a few weeks learning how to ride balance bikes. They have had a fabulous time and all received a certificate.

Music – Y3 to Y6

If your child is interested in a 10 week private music taster session on Monday lunchtimes, we have a couple of places available after Easter. Cost £50. Please ask at the office.

We hope you enjoyed the hot cross buns this morning provided by school.

All the staff at Mottarm CE Primary School wish you a very happy Easter break and will see on Monday 16th April 2018.

Many thanks
