

### **HOMEWORK**

The children will have spellings to learn each week. Please help them to practise these. Year 3 will have a test each Tuesday.  
All the children will have a book to read. Please use the planner to record when they have read to you. It would be great if they can read 3 times a week!

The children will have a piece of homework most weeks to help them practise maths or English skills that they have covered in class. Please try to ensure this is returned to school when it is completed.  
Please make sure that your child's planner comes to school each day and please write any messages you need to pass on to us.

THANKS
