Harvest Festival

We had a lovely service in church with our children singing beautifully!

Many thanks for your donations. Two of our Year 6 children, accompanied by staff, helped members of the church take the gifts to the Carpenters Arms. They spent time at Charlestown Church seeing for themselves the work of this local charity – Read their responses on the following page.

Bobby's visit to The Carpenters Arms– I had a great time at the Carpenters Arms and here is what we had to do; we had to lift tins such as beans, tuna, salmon, soup and much more. The Carpenters Arms is a lovely place for people such as the homeless and people who don't have enough to come to on Tuesdays and have a range of delicious foods. It is a thoughtful place that welcomes them all and they accept them nicely and warmly. Luckily, I bagged two pieces of toast and two biscuits. Bobby

Ebony's visit to the Carpenters Arms – At the Carpenters Arms volunteers help the homeless people every Tuesday and open their doors to the public until 2:00pm. People come in and can have breakfast and lunch. We were stacking shelves with tins of beans, soup and other stock and we also stacked a shelf with biscuits, jam, pasta and sauce. The people were very kind and help the homeless with what they want. They also give them warm clothes and socks for the cold weather. They even offered us drinks and food. The cans of food we stacked were from the Harvest Festival that we all brought in. This makes me feel very happy because they are helping people that struggle and they are helping people to live. Big thanks to the School Association for their contribution to more I-Pads enabling another class to benefit from this great resource.

Thank you for your continued support.
