Y4, 5 and 6 had great fun taking part in the Mrs Phelps Workshop on 25th October

“On Thursday we had an amazing visit from a very enthusiastic woman called Jennifer. She went through lots of great stuff to do with drama. We were focussing on the play ‘Matilda’. We played a game, where we tried to get as close as possible to somebody pretending to be Miss Trunchbull, without her spotting us! We also wrote a poem about the choky and learnt a song called ‘Revolting Children’. Emily W

“During Blue Class Egyptian Day, we all dressed up wonderfully as Egyptians. The first thing we did was choose our Egyptian names. In groups we baked our very own Egyptian bread which turned out crunchy and delicious. We learnt how to write our names in hieroglyphics (which many of us found tricky) and we even mummified a tomato. Finally, we ended the day with an Egyptian feast with a variety of Egyptian foods such as beans, fruits and herbs. We had a brilliant day!”

A big thank you to Leanne Wood who kindly donated a packet of poppy seeds to each pupil in school, via Vets 4 Pets. We will be scattering these amongst our trees and thinking about all animal heroes in times of war.

Thank you to all of you who have filled in and returned your parent questionnaire, it was lovely to read the wonderful comments.

Thank you for your continued support.

Mrs Scattergood.
