As part of our school development plan we intend to increase links with our wider community and have already been involved with the Evangelical Church Monday Club. During the Autumn Term, Year 6 in small groups visited the Monday Afternoon Club to take part in games, singing and chair aerobics! The children have loved the opportunity to meet with the older generation and listen to their stories. During the Spring Term the Year 5 children will be visiting and making new friends!

We will be taking part in the Safer Internet Day to remind our children how to keep safe on the web.

The KS2 Award is an exciting and interactive set of materials where pupils learn about key leadership skills, grow in character and have practical opportunities to volunteer and help others in their community.

Follow the story of Archie Bishop as he learns to be a leader:

As part of our plan to increase links with the wider community we are thrilled to be taking part in the Key Stage 2 Young Leaders Award with the Archbishop of York Youth Trust.

Years 4 and 5 will be working closely together on this project.
