

Mottram C.E. (Aided) Primary School
June 2019 Newsletter

I am so proud to announce that we have been accredited with the AcSeed Award.

This award is acknowledgement that Mottram values how important it is to nurture the mental health of young people. This is a whole school approach and is recognition for our work that we undertake with issues regarding mental health and wellbeing across all ages. We are only the third primary school in Greater Manchester to have achieved this status! At Mottram we recognise that young people flourish and reach their life potential when all barriers to school life are recognised and supported to enable them to function at their best both in school and at home. We recognise the importance of positive wellbeing for all our staff and students. If you would like to find out more about the AcSeed Award you can at the following link <http://www.acseed.org/>

Well done to all the staff and students.

Don't forget you can check our website <http://www.mottram.tameside.sch.uk/>
