

HOMEWORK

The children will have spellings and maths facts to learn each week. Please help them to practise these as they will have a test each Tuesday and Thursday.

All the children will have a book to read. Please use the planner to record when they have read to you. It would be great if they can read 3 times a week!

The children will have a piece of homework most weeks to help them practise maths or English skills that they have covered in class. Please try to ensure this is returned to school when it is completed. Please make sure that your child's planner comes to school each day and please write any messages you need to pass on to us.

THANKS

I will need my P.E. kit this half term on a Monday and Tuesday

If you have any ideas that would help with our work this term we would love to hear from you!

Mrs Thompson will be available, for approximately half an hour after school on Tuesdays if you need to talk about your child.

We will talk about features of the artwork and sketch our favourite pieces. We will research important artwork of the 19th . When we have gathered a range of materials, we will make beautiful sketchbooks and use them to collect ideas and inspiration. We will create pieces of art inspired by well known artists and use search engines to source images of modern art to put into a digital portfolio. We will express ourselves through poetry, stories, music and painting. Art can affect our feelings and emotions, and we will investigate whether everyone responds in the same way. We will also use found objects to create a surreal sculpture.
