"The Year 5's went to Longdendale for a Forensic Science Day. We had to solve the crime of the stolen diamonds. We had 3 suspects and had to run 4 tests: chromatography, finger print identification, hair under a microscope and testing chemical powders over a bunsen burner. We figured out who it was - Mrs Tickle. It was so much fun we even got to learn how to set bunsen burners up. I think everyone enjoyed it" - Molly (Y5)

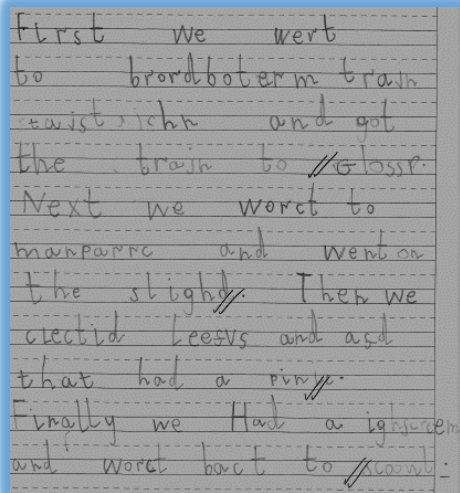

"Some Year 5's went to Stockport Grammar School. When we arrived at the Maths Competition, we were split into two groups of four. We were then given some warm up questions. Once we had finished these we started to do our main activities. These included doubles relay, and then 10 group questions. Sadly, none of our groups won but we did our best. We really enjoyed the experience and would love for other groups to have the opportunity" - Robyn (Y5)

Reception class had a wonderful trip to Manor Park. They had a picnic, an ice cream and they managed to get some wonderful weather. They have written some superb sentences about their trip.

Purple and Yellow Class had a fantastic trip to Crowden.

"We played a game called spiders and flies and if a fly got stuck in a web you had to be set free. We caught little creatures in the water. We saw a waterfall. We climbed up a hill and whilst we were on the hill, we did some sketching of the view. Then we had a picnic. Then we built some walls with rocks. It was great fun as we walked in the stream". By Harry B, Leo, Libbie and Hannah (Y1).

*May I take this opportunity to wish all our Year 6's a wonderful last few weeks at Mottram.*

*Thank you to all the staff for their hard work, dedication and commitment to giving each and every one of our children the best they possibly can. Thank you to the parents and carers for your continued support and we wish you all a very happy and restful Summer. We will welcome you back on Tuesday 3<sup>rd</sup> September 2019. Mrs Scattergood.*
