### **Treasurers report**

Current bank total £1956.71

Cash in hand £120

Money for afternoon tea needs to be paid in.

Invoice for hoodies has been given to Cathy today.

School has requested a contribution to the £4000 towards more iPads. We need to ask school for more information and about previous match funding before committing

### **School Walk**

Matt has emailed Louise B with info for the school walk. Only one slip has been returned so far if we don't have enough participants then we may need to cancel. Ideally need up to 10 people walking.

We discussed this and felt it would be good to do but at a different date so we can advertise better and get more interest to raise more funds.

### **Future fundraising**

School fair 28th September after school. Non uniform 21st and 28th September.

Louise B will book a bouncy castle.

BBQ, raffle, hook a duck, straw games, tattoos, nail painting, chocolate game, bottle stall. Speak to school about BBQ

Fashion Show 17th November

Holly Tea no date yet will need to speak to school for a date

Remembrance garden Tesco bid, no further information about this. Louise B to speak to Leanne.

Cake sale on 2nd July - Louise B will speak to school and Ellie to do the flyer and plates for it.

Louise B asking about a Body Shop raffle grid for fundraising. Each child would go home with a grid square of 25 squares at £2 each. If completed then one square will win a £25 body shop spend and £25 to go to school association. Louise B to ask school if they're happy and then to do this half term.

Uniform Sale - to speak to school about doing on achievement night and if they agree then to advertise from next week for donations.

### **Mottram Christmas Tree Funding**

Request from Mark Rushton as him and the Scouts are looking to fundraise for a new tree in Mottram. He has spoken to the council but no definite plans as yet. He is asking whether we would contribute towards this or help fundraise.

We discussed and felt a just giving page would be best for people to contribute.

**Night Out**

1st September Gin festival at Broadbottom cricket club

**AOB**

To speak to school about a representative coming to the meeting and whether a meeting in school time would be better as it's helpful to have a representative there.
