British Values Statement

The document sets out how we, at Mottram Primary School, develop and promote British Values throughout our school and within our curriculum.

“We want every school to promote the basic British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance for those of different faiths and beliefs”. *Lord Nash*

A key part of our plan for education is to ensure children become valuable and fully rounded members of society who treat others with respect and leave school fully prepared for life in modern Britain.

British Values:

- **The Rule of Law**
- **Democracy**
- **Individual Liberty**
- **Mutual Respect and Tolerance for those of different faiths and beliefs**

To do this our children will develop:

- An understanding of how citizens can influence decision-making through the democratic process
- An understanding that the freedom to hold other faiths and beliefs is protected in law
- An acceptance that people having different faiths or beliefs to oneself(or having none) should be accepted and tolerated, and should not be the cause of prejudicial or discriminatory behaviour
- An understanding of the importance of identifying and combating discrimination

The mission statement and aims of the school carefully reflect these values, and the whole school strives to uphold them.
