

From Monday 10th June, Mottram Primary School will have a breakfast club!

The session will begin at 8:00am (please do not try to drop any earlier) and will run until 8:50am (when school opens for all children).

The cost of this will be £4 per day and must be booked for in advance on the calendar and paid via Parent Pay.

The children will be provided with breakfast, a choice of toast, cereals and juices.

They will be able to play games, catch up on homework, read or just chill before school.
