We want to welcome all the new families who joined us in September. All the children have come back to school looking smart and have settled well.

Before we broke up the staff, children and parents/carers worked hard to come up with a new core purpose and vision for the school. We wanted something that reflected who we are and what we wanted our children at Mottram to achieve. It has been finalised and we wanted to take this opportunity to share it with you.

Our Core Purpose –

A place where everyone can be themselves,  
believe and succeed.
