Friday 12th June 2020

Dear Parents/Carers,

Re: collection of reading books from week beginning 15th June

In order to support your child's reading, we would like to provide you with some further reading material to support your child, whilst we continue to work from home.

Your child will be provided with an individualised pack of reading books. The books in the packs will have been chosen based on your child's reading ability prior to closing. We appreciate that you have been supporting your child's reading throughout our time apart and their reading fluency may have improved. However, please use the texts we provide to help consolidate this fluency and practise their comprehension skills (understanding of the text).

You will receive a text message or email providing you with a specified time to collect your child's reading pack, this time slot will be the same each week. Your child's pack will be placed in the foyer, please sanitise your hands on arrival and touch only your child's pack. **Could we please ask you to return any books you have at home and place them in the return box.** We ask that **only one adult** come to collect, as there must only be one person in the foyer at a time. These appointment times must be adhered to in order for us to co-ordinate this safely and maintain social distancing guidelines. **We will not be able to provide you with your child's pack out of your collection slot time.** If there is a problem with your collection time, please email: purple@mottram.tameside.sch.uk and I will make an alternative arrangement.

We also have something very exciting up our sleeves to keep the children engaged with reading and the staff are busy preparing this for them. More information to follow.

We would like to take this opportunity to thank everybody for all your support during this tricky time and we look forward to seeing some of you when you come to collect your child's reading packs.

Warm regards and stay safe

Mrs Levy and The Mottram Team
