

Christmas Camps 2020

'Football & Multi-Sports' Holiday Camp

Monday 21st, Tuesday 22nd, Wednesday 23rd December 2020
@ St. Luke's Primary School, Glossop, Derbyshire. SK13 7BS

Keeping It Fun & Active...

Did you know that we'll play 6 different sports, per day, at our Holiday Camp? For example, one bubble/group would play Handball, Cricket and Tennis in the morning and then Basketball, Tri-Golf and Dodgeball in the afternoon! During the 3 days that 18 different sports!

It's not all sports though... We understand that we can't play sports all day, so we'll break the day up with fun break times, sports and general knowledge quizzes, wacky competitions and other little surprises like a visit from PAS Man our mascot, a delivery of FREE fresh fruit and healthy eating discussion, plus we also believe that Soccer Santa will also be making an appearance!

Keeping It Safe...

As many of you will know, keeping our staff, and your children safe, is paramount to us. We will again have a one way system for registration and exiting, we'll again keep the children in small bubbles (even smaller than before), and we'll again not swap/share any equipment between bubbles until it has been cleaned at the end of the day ready for it to be used the next day. We'll also ask if you can wear a face mask when registering and collecting the children then please do.
