

A wonderful and distinctive Christian school

The feedback we have had from parents and carers.

- I would just like to take this opportunity to say thank you to all of the staff for their hard work and dedication, especially over the last few weeks. We really appreciate everything you all do.
- Thanks again for a really well structured learning pack.
- I just wanted to email to say a big thank you for all of the support you are providing during these tough times. It's very much appreciated.
- I just wanted to send you a quick email to let you know that your email today really touched my heart!

I personally feel that the school is doing a wonderful job supporting the children and the parents! The teachers should be praised for the amazing effort they have put in throughout this awful period!

Not only are the school still supporting the children with the National Curriculum but also kindly offering help to parents that are struggling at this time!

A big Thank you to all of Mottram School staff for all you do.

- Hello...

I just want to say how absolutely flabbergasted I am at noticing what time my children's work was updated on OneDrive.

Those poor ladies and of course the wonderful Mr Sullivan working their socks off at all hours to get the work out to us.

I don't know if the times are accurate, but I'm pretty sure they all worked at times they wouldn't usually be expected to this week and at other times during lockdown.

And I just want to say thank you. A really big thank you.

Stay safe.

- To all teachers in Mottram, You are doing an amazing job and please try and keep yourselves sane give yourselves the credit you deserve, you got this.

- Thank you for providing this support as we would be really stuck without it currently.
- Thank you for the lovely feedback yesterday for \*\*\*\*\* & for your phone call today 😊  
Have just read the whole story through from the beginning & really proud how well he has been engaging with this work in progress!
- Many thanks for your work too, without teachers in society I think parents would all go a bit crazy. You're doing an amazing job.  
Just so you know,  
This lockdown, the quantity and content of the homework is much better than last time. There is set work to do each day, which is what is needed.
- I hope I find you well and coping as best you can at this very strange emotional time. I've been thinking of you all this week and hoping you know you have my full love and support through all this.
- Bless her little face lit up when she saw your face on the video xx
- Once again, you've been really helpful, and we cannot thank you enough.
- Thanks so much. You are all doing an amazing job!
- Thank you we really appreciate your support.
- To all of you,

- Dear Mottram

Thank you so much for the letter from Mrs Scattergood. It brought a tear to my eye!

Even though I am not home schooling this time I fully appreciate everything you are all doing to help our children get through this. You are doing an amazing job. As the letter says, many of you are also having to home school your own children and this together with teaching and designing lessons for those at home it cannot be easy. I take my hat off to you all.

Thank you.
