

MOTTRAM CE PRIMARY SCHOOL

Acceptable use agreement for younger pupils

Acceptable use of the school's Computing facilities and internet: agreement for pupils and parents/carers

Name of pupil:

When I use the school's Computing facilities (like computers and equipment) and get on the internet in school, I will not:

- Use them without asking a teacher first, or without a teacher in the room with me
- Use them to break school rules
- Go on any inappropriate websites
- Go on Facebook or other social networking sites (unless my teacher said I could as part of a lesson)
- Use chat rooms
- Open any attachments in emails, or click any links in emails, without checking with a teacher first
- Use mean or rude language when talking to other people online or in emails
- Share my password with others or log in using someone else's name or password
- Bully other people

I understand that the school will check the websites I visit and how I use the school's computers and equipment. This is so that they can help keep me safe and make sure I'm following the rules.

I will tell a teacher or a member of staff I know immediately if I find anything on a school computer or online that upsets me, or that I know is mean or wrong.

I will always be responsible when I use the school's Computing systems and internet.

I understand that the school can discipline me if I do certain unacceptable things online, even if I'm not in school when I do them.
