My World and How does your garden grow? (EYFS)

Why is our World Wonderful?

What can you find in the garden?

If I were a minibeast, I would be a...

Topic Theme and Golden Thread

Why are Woods Important?

Outcome: If you went down to the woods today, you're sure of a big surprise! Let's explore the enchanted woodlands within our local area - we will use our fieldwork skills to investigate features of woodland and develop our map skills. We will also be working on using directional language to navigate ourselves and objects around a map and will begin to explore the use of a compass to support us! Finally, we will be exploring several artists that use natural resources to create their masterpieces!

Allotment

All things are possible if you believe

Communicators

We will learn how to communicate the data we collect and interpret our findings.

Explorers

We will explore the variety of physical features in our local area and produce maps to show our findings.

Readers

We will read a range of Non-fiction texts related to the woodland habitat.

Believers

We believe that we need to love and respect God's creation by tending to the environment and all of God's creatures.

Geography

Locational and place knowledge. Human and Physical Knowledge.
