How did the Romans Change Britain?

We are going to start in the year AD 43 when the Romans invaded Britain - Why did they come? How did they conquer? How did they change our country? As we move through the Roman Empire's history, we are going to make some Italian delicacies and design a 3D Roman shield!

Links to community/Courageous Advocacy – Something more

Important Roman figures

All things are possible if you believe	Communicators	Explorers	Readers	Believers
	Children will communicate their views about how the Romans influenced and changed Britain, relating these changes to their own lives.	Children will explore how magnificent mountains are formed!	Children will read a range of historical sources to uncover how the Romans changed Britain. Children will also read a range of maps, identifying mountain ranges.	Children will learn about the Easter story and decide whether they believe it is a story of trust or betrayal.
