Why should rainforests matter to us all?

Topic Theme and Golden Thread
Shall we take a road trip across the USA?

Let's go on a road trip across the USA where we will discover America's 50 great states! We will discover the wonders along Route 66 and create a collage of sites and attractions. After a drive across America, we will focus on the influential acts of Martin Luther King.

Peak District trip – geographical skills
Influential people – Martin Luther King

All things are possible if you believe	Communicators	Explorers	Readers	Believers
	Children will communicate their views on Martin Luther King and his influential acts that resulted in so much change in America.	Children will explore the 50 states of America and the amazing sites Route 66 has to offer!	Children will read their class novel 'The Final Year'. We will also read and draw a map of the USA's 50 states!	Children will develop their beliefs about how influential individuals bring about change.
