Dear Parent / Carer

Our school is part of an initiative called Operation Encompass. A scheme that ensures that we can better support any child where a domestic incident has been reported to Police, from their home.

Following a domestic incident, the Police will inform a nominated member of staff at the school to notify us that an incident has taken place. This will ensure that we are made aware early enough, so we can support children and young people in a way that means they feel safe, supported and listened to.

Each school has a member of staff called the designated Safeguarding lead who is trained to recognise when a child needs support.

The initiative has been rolled out across all Tameside schools. It is a multi-agency project that includes the Police, local schools and the Council. It has been successfully implemented in other parts of the country and has helped schools and parents to help children deal with the impact that domestic abuse in the home can have on them.

You can find out more about Operation Encompass here:

We are committed to working in partnership with local relevant organisations to safeguard and protect children in Tameside and to provide the best possible care and support for our pupils.

Kind regards
