**Outcome:** In this unit, children will be exploring the beauty of the natural world. They will learn about the location of countries, continents and oceans of the world in relation to the position of the United Kingdom and their own locality. We will explore environmental issues such as deforestation and climate change and how this is having an impact on all living things. There will be a focus on how we should, as global citizens be looking after and caring for our Earth

	<i>Communicators</i>	<i>Explorer</i>	<i>Readers</i>	<i>Believers</i>
<i>All things are possible if you believe</i>	We will learn how to communicate our thoughts and feelings on environmental issues that are impacting the world around us.	We will explore our local area and the wider world using maps, atlases and google Earth.	We will read a range of materials to learn more about the wonders of planet Earth.	We will understand how worshippers deepen their relationship with God through song. We will deepen the children's understanding of the true meaning of Christmas through emphasising that Jesus was a gift from God.
