Topic Theme and Golden Thread
What are the countries of the United Kingdom like?

Outcome: In this unit, children will learn all about the United Kingdom and its four countries, developing their understanding from their local environment to the UK in general. Children will begin by exploring the location of the UK in relation to the world, its four countries, capital cities and surrounding seas. They will then explore each country and capital city further, identifying human and physical features and comparing the country's characteristics and features. The unit rounds off with the question: what are the countries of the UK like?

<i>All things are possible if you believe</i>	We will learn how to communicate our thoughts and feelings on the work of Barbara Hepworth (Artist/Sculpture).	We will explore the four countries of the United Kingdom using maps, atlases and google Earth. We will identify what makes each of our four countries within the UK unique.	We will read a range of materials to learn more about the four countries within the United Kingdom.	We will understand how symbols help us to understand the meaning of the Easter story and why is Easter the most important festival in the Christian calendar.
