Prior Learning where does this fit in? (Golden Thread)

Why is our World Wonderful?

Topic Theme and Golden Thread

Why do people like to holiday by the sea?

Outcome: In this unit, as geographers' children will identify where the coastline of the UK is on a map, in relation to where we live. We will learn about human and physical geographical vocabulary when talking about coastal areas. As Historians the children will name a significant historical figure and their contribution to national or international history - Grace Darling & the work of the RNLI.

Links to community/Courageous Advocacy – Something more

No Outsiders - This is Our House

Save our planet - Plastic Pollution

Significant Individual - Grace Darling

<i>All things are possible if you believe</i>	<i>Communicators</i>	<i>Explorer</i>	<i>Readers</i>	<i>Believers</i>
	They will build their knowledge of famous sea explorers and communicate what qualities they possessed which made them successful.	Children will navigate, investigate and explore coastal areas around the UK and identify the features that make them unique.	Class Novel - The Accidental Pirates - Voyage to Magical North.	Children will believe in their own ability to bring about change and influence the world in a positive way - combating plastic pollution.
